Extracurricular/Interscholastic Athletic Activities Policy**

The purpose of extracurricular/interscholastic athletic activities in the middle school is to enhance the overall educational experience for the student. Athletic success is a shared responsibility of the school, parents, and student. Participating in extracurricular activities is a privilege that requires dedication, responsibility, a good work ethic, and time management skills. All KHSAA rules and guidelines will be followed unless otherwise listed in the Clark Moores Middle School handbook and the Commonwealth Middle School Athletic Conference by-laws and constitution. Extracurricular activities will be governed by the Clark Moores Athletic department.
